

HOUSING

ENP has developed a specific partnerships with

- [The Cité Internationale Universitaire de Paris](#) (CIUP) – Paris

ENP can help you to book your accommodation.

And:

- ENP will be your legal guarantor ("*garant*") and will guarantee your financial viability. ENP will provide documents certifying your financial resources during your enrollment in the Graduate Program.
- ENP will pay your first month of rent and administration fees ("*frais de dossier*"). For private housing, the ENP will reimburse also your first month of rent and administration fees up to the amount of the CIUP.

Applications are made online via a specific webpage. You should mention that you are an ENP funded student and contact the ENP office prior to application. Once the registration done, please forward us all information about your file you may receive.

ENP PARTICULAR REMARKS

Pros & Cons / Place	CIUP
Pros	International campus; 10 minutes away from city center; rooms are fully furnished; beyond housing the CIUP offers also services for foreign students (healthcare, visa/residence permit issues...); ENP students already living there may help you ; you can pretend to ALS
Cons	The length of stay at the CIUP cannot exceed 3 years; couples are not allowed, room sharing forbidden, you cannot host relatives or friends in your room, even for one night, without prior management approval
